

Thank you for grabbing this one-of-a-kind ZINE Here's how to make the most of it:

This isn't just any digital file—it's a canvas for your creativity, a place to make your mark and own your chaos.

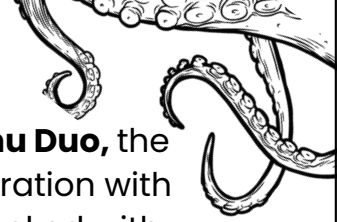

- 1. Print It:** The zine is designed to be printed, so grab some paper, fire up your printer, and watch it come to life.
- 2. Make It Yours:** This is all about customization. Add your own touch with doodles, colors, stickers—whatever makes it YOU.
- 3. Unleash Your Creativity:** Whether you scribble a quote, sketch, or rework the design, there are no rules here. This zine is yours to reinvent.

Pro Tip: Don't hold back—this is your space to be as bold, raw, and unapologetic as you want.

Enjoy, and share your creations with us using #OwnYourChaos or tag me @saralegerart

ARKHAM

APRIL

What happens to those interned?

Is she tucked in a Straitjacket at night?

Or dunked in ice water—

If he puts up a fight?

Do you extract her lady parts

Plus her frontal lobe—

Or electroshock him and restart?

Perhaps seclude them in cells

'til they do what they're told.
Or do they grow bold?
